HEE HAW is only one of a handful of television programs that have had a profound and lasting influence on American culture with many of its skits today being woven into the American comedic fabric.

Lulu Roman, Misty Rowe, Jana Jae, and Buck Trent – all four cast members of the hit country music variety show HEE HAW – bring a touch of ‘Kornfield Kounty’ to fans nationwide! The hit television show, which continues to air on RFD-TV in re-runs, take the viewer to their happy place in time with some rural culture, fun humor, and some great country music.

The show gets the audience involved from the beginning to the end. Whether singing, clapping, laughing or crying, this show has something for everyone.

LULU ROMAN served up many laughs and, well, some greasy food at Lulu’s Truck Stop where the food and customer service was usually pretty bad. In addition, Lulu is remembered for being a member of the Hee Haw All-Jug Band and her sitting around on an old-fashioned sofa in the

parlor being a deadpan character and commenting.

MISTY ROWE is known for her “Bedtime Stories” sketch. Rowe would deliver one of her bizarre stories, sometimes a rewritten nursery rhyme. By the sketch’s end, she would deliver a humorous “moral to the story,” giggle, wink at the camera, and blow out the candle which was lit on the night stand next to the bed where the story was told.

JANA JAE is known for having the “Blue Fiddle” and taking the Hee Haw audience on a musical journey. Jana performed as part of the Buck Owens band as well as a soloist.

BUCK TRENT is known for his Pickin’ and Grinnin’ as a featured performer on Hee Haw as well as his years working with Roy Clark.

Cast members conduct a Q&A during the show, participate in meet n greet before show for VIP’s, and stay after to greet fans on the way out the door.
